

Using AXIS 360 App to Checkout eBooks!

1. Download the **AXIS 360** on your device
 - a. (does not work on older devices).

2. Open Axis 360, find Raymond B. Stewart Middle School, login with your Student ID number. (Teachers log in with email ex. atrebour)

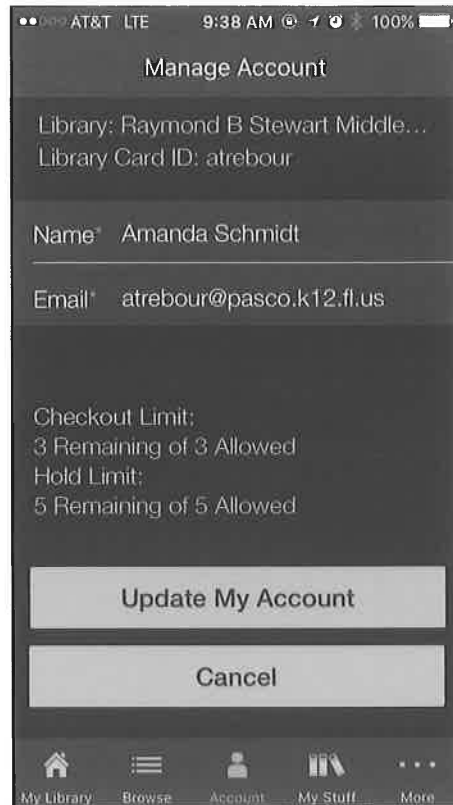

3. Browse the collections and select a book you want to checkout. You can search a specific title by typing in the information and clicking magnify.

4. Once you have found a book you want click on it.

5. If the book is available for checkout, click on the green checkout bar.
If not you're able to add it to your wish list.
 - a. When the book is available, it will email you
(if your account is set up).

6. Once you click on checkout, you will see **Checkout**. After the book has been successfully checked out, click on Read Now.
7. When you're finished reading click **Return**, then **OK**. If you forget to return your book after two weeks, it will automatically return the book for you.
