

# Community Connections Parent Night

MONDAY, OCTOBER 12, 2015

We are very excited to invite you to participate in our first Community Connections event of the 2015-2016 school year, which will take place on October 12, at R. B. Stewart Middle School. Parents will have the opportunity to schedule a conference with their child's teachers and meet at a designated time during the evening. **We also have many exciting presentations that parents will want to attend. If you want to keep track of your child's grades online, you don't want to miss the eSembler presentation.**

Parents and students who attend our Community Connections event can earn **five** bonus points for **each** session they attend. These points will be added to the class of the child's choice. We are looking forward to seeing everyone at our Community Connections event on Monday, October 12. It is an evening you won't want to miss!

## PARENT CONFERENCES

4:00 P.M. – 8:00 P.M.

Are you struggling to find time to schedule a parent conference with your child's teacher?

If you would like to set up a conference to meet with your student's teachers, please see the back of this flyer. Conferences must be booked in advance by returning the reservation form on the back.

Join us for a light dinner in front of the cafeteria at no charge.

To find out more information about this event, please visit our website at:

<http://rbsms.pasco.k12.fl.us>

## PRESENTATIONS

5:30 P.M. – 7:30 P.M.

### INFORMATION SESSIONS:

(20-minute sessions starting every half hour, with the last session starting at 7:00.)

- **eSembler:** Learn how to use *eSembler* to keep track of your student's progress.
- **Adolescent Transitions:** The transition from being a child to a teenager can be rough. Join us to learn some strategies that will make the transition smoother.
- **Fall Container Garden:** No place for you to dig a garden? Learn how to grow a Fall container garden.
- **ALEKS:** Parents: Do you want to learn more about a free online math resource available to your child to get the help in math they really need? ALEKS is an individualized program that will support students in three ways: basic facts, prior grade level weaknesses, and current grade level practice. Come join us to learn more about this exciting program that your child has already started using!
- **Amplify:** *Current Amplify students* will join Language Arts teachers and an Amplify Representative in the Media Center for an information session unveiling the Amplify program and student expectations.
- **AVID:** *These sessions are reserved for those with students in the AVID Elective Course.* Our session will discuss the purpose of the organizational binder. We will look at time management skills & how to assist your child in successfully managing his/her time this school year. We will also showcase the skills the AVID students are currently working on in class. We encourage everyone in the AVID Elective to participate in this exciting workshop.
- **Infinity:** *This session is reserved for students currently in the Infinity Academy.* Infinity Parents & Students are invited to attend an informational session which will cover parent accounts for Canvas, our tiered system of support, pacing requirements & binder requirements. Please bring your student's laptop, login info & binder to help facilitate our discussions.
