

What AVID is...

The mission of AVID (Advancement Via Individual Determination) is to ensure that ALL students, especially those who find themselves “in the middle,” will succeed in rigorous curriculum, will complete a college prep path, and will become educated and responsible participants and leaders in society.

What does the AVID elective look like?

- Support and encouragement that helps students be successful in one or more advanced level classes
- Large emphasis on organization
- Instruction on Cornell Notes (a note-taking system that helps students in middle school, high school and college)
- Tutoring from college students
- Field trips to College campuses
- A supportive and encouraging setting that helps students realize that college is an option

The AVID application process...

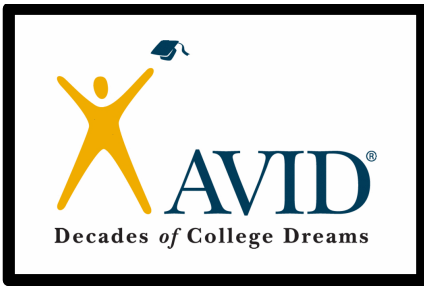

1. Fill out the application completely and neatly in pen. Typing the responses is also acceptable.
2. Ask your teacher to fill out the recommendation form.
3. Turn in completed application
4. Be prepared for an interview with the school’s AVID Site Team.

Please note space is limited in the AVID program. Students are accepted based on qualifications and the date applications are received.

Acceptance letters will be issued prior to the end of each school year.
