

Summer Bus Haul Pass Give Break to Pasco County Students

\$20 unlimited bus rides for students all summer

Pasco County Public Transportation (PCPT) is offering Pasco County students a chance to ride our fixed-route bus system for only \$20.00. The special student rate will go into effect June 1, 2016 and will run until August 31, 2016.

Summer Haul Passes are being sold at all Pasco County Libraries; Pasco/Hernando State College campuses in New Port Richey and Wiregrass at the Campus Bookstores; and at the PCPT Administrative Offices at 8620 Galen Wilson Blvd, in Port Richey.

Students can use this pass to get to places like the beach, swimming pools, shopping areas and summer jobs. The student fare is a great choice to meet students' transportation needs while saving money.

PCPT fixed-route, transit buses run through east and west Pasco County and along State Road 54.
