

# Community Connections

## Parent Night

THURSDAY, OCTOBER 12, 2017

We are very excited to invite you to participate in our first Community Connections event of the 2017-2018 school year, which will take place on October 12, at R. B. Stewart Middle School. Parents will have the opportunity to schedule a conference with their child's teachers and meet at a designated time during the evening. **We also have many exciting presentations that parents will want to attend. If you want to keep track of your child's grades online, you don't want to miss the myStudent presentation.**

Parents and students who attend our Community Connections event can earn **five** bonus points for **each** session they attend. These points will be added to the class of the child's choice. We are looking forward to seeing everyone at our Community Connections event on Thursday, October 12. It is an evening you won't want to miss!
