

# R. B. Stewart Middle School Community Connections Parent Night

**TUESDAY, DECEMBER 4, 2018**

We are very excited to invite you to participate in our second Community Connections event of the 2018-2019 school year, which will take place on December 4th, at R. B. Stewart Middle School.

Parents will have the opportunity to schedule a conference with their child's teachers and meet at a designated time during the evening. We also have many exciting stem presentations that parents will want to attend.

Parents and students who attend our Community Connections event can earn **five** bonus points for **each** session they attend. These points will be added to the class of the child's choice. We are looking forward to seeing everyone at our Community Connections event on Tuesday, December 4th. It is an evening you won't want to miss!

Call Lynette Washburn RBSMS Parent Involvement Coordinator at 813-794-6510 for information

## **PARENT CONFERENCES** **4:00 P.M. – 8:00 P.M.**

Are you struggling to find time to schedule a parent conference with your child's teacher?

If you would like to set up a conference to meet with your student's teachers, please see the back of this flyer. Conferences must be booked in advance by returning the reservation form on the back.

Join us for a light dinner in front of the cafeteria at no charge.

To find out more information about this event, please visit our website at:  
<http://rbsms.pasco.k12.fl.us>

## **PRESENTATIONS** **5:00 P.M. – 7:30 P.M.**

**Art Exhibit:** Join us for our Second Semester Art Show. Art from Exploring 2D Art and Art in World Cultures classes will be shown in the Lobby of building 10. Come see what Art has to offer. (5:00-7:30 ongoing)

**AVID Presentation**  
TRF? POC? Inquiry? What do these look like in the AVID Elective? Tutorials are an important part of the AVID Elective. Join us during Community Connections to explore and participate in mock tutorials. These sessions are reserved for those in the AVID Elective. (5:00, 5:30)

**High School Career and Technical Academy Options**  
This session is for 8<sup>th</sup> grade students and their parents. The session will focus on Zephyrhills High School's Aviation Technologies and Maintenance Career Academy. It will also provide information on all Career Academy programs available at Pasco County high schools. (6:30, 7:00)

**myStudent:** This session will assist parents in accessing their child's grades through the gradebook program, myStudent. Parents will receive step-by-step directions for accessing the program. (5:30, 6:00, 6:30)

**Science Fair Projects** – Stop by the Media Center to view the science projects that were entered into the 2018 RBSMS Science Fair. (5:00-7:30 ongoing)

**Holiday Card Making** Stop by and make a holiday card for members of the Military. (5:00-7:30 ongoing)

**Mad Scientists-** Drop in for an exciting adventure into the nature of our oceans. Have you ever been to the beach and was able to float forever but yet in your pool it is not so successful? The answer may surprise you! It is all about density of the water! Stations will be set up for your scientists to explore the concepts. (5:30, 6:00, 6:30)

**VR Goggles** - Join us to discover how Virtual Reality goggles can transport our students to the next level of learning. We will be blasting off into space and you can see for yourself how this tool can transform learning and take us places out of this world. It is a fascinating way to engage our students and transport them to places they have never been. We can now take our students on an adventure of a lifetime using virtual and augmented reality. Stop by room 10-106, you don't want to miss this presentation. (6:00, 6:30, 7:00)
