Parent Night

R. B. Stewart Middle School

THURSDAY, SEPTEMBER 26, 2019

We are very excited to invite you to participate in our first Community Connections event of the 2019 - 2020 school year, which will take place on September 26, at R. B. Stewart Middle School. Parents will have the opportunity to schedule a conference with their child's teachers and meet at a designated time during the evening. **We also have many exciting presentations that parents will want to attend. If you want to keep track of your child's grades online, you don't want to miss the myStudent presentation.**

Parents and students who attend our Community Connections event can earn PBIS points for each session they attend. We are looking forward to seeing everyone at our Community Connections event on Thursday, September 26. It's an evening you won't want to miss!
