

# RAYMOND B STEWART MIDDLE SCHOOL PRESENTS...

SECOND ANNUAL

## BULLDOG BOOT CAMP

Get in shape for 6<sup>th</sup> grade!

At this time, Stewart Middle School will be moving forward with planning for our RBSMS 2020 Bulldog Bootcamp in an effort to help 6<sup>th</sup> graders in their progression into the middle school environment. Students will be given the opportunity to meet other incoming students, the principal, assistant principals, and teachers. Future Bulldogs will become more familiar with expectations, routines, curriculum, and the layout of the campus. We are planning for student groups to be smaller while being mindful of safety as students move throughout the campus. We will be following CDC guidelines to make sure your child is safe while on campus. Please note that masks and gloves are welcome, but not required.
