Early Release Days are back!

Beginning January 13, Pasco County Schools will be implementing a two-hour early release day every month. Each of the four early release days (January 13 - February 3 - March 3 - April 7) will fall on a Wednesday. There will be no early release day in May.

On each of the early release days, students will be released two hours early. The bell times, including the early release times for each school, can be found [here](#). The early release days, which were implemented for the first time last school year, provide teachers with an opportunity to complete professional development and experience training that will help increase effective instruction and ultimately will benefit students.

Students who are registered in the district's PLACE program will be able to stay the extra two hours with no additional charges. School buses will operate two hours earlier during early release days. The routes and bus stops will not change.

What to do when your student is Quarantined?

When a student has to be quarantined due to being exposed to a positive COVID case, they are to complete their class work in their myLearning courses (<http://launchpad/classlink.com/dsbpc>). Each course has "Smarthinking Online Tutoring" to assist students with completing their work; this tutoring is free and available 24/7 for ALL secondary courses. ***IF*** a teacher has a zoom session for the students class period, they are welcomed to join. Please know not all classes have zoom sessions through out the day.

Please ask your child to follow these instructions:

- 🐾 If you are feeling well enough to do your schoolwork at home, you are welcome to continue your classes and classwork.
- 🐾 Your schedule will not change. You will not be moved to a MySchool Online schedule. You will stay with your current teacher(s), but your work will be completed through the MyLearning App.
- 🐾 Log in and complete whatever work you feel well enough to do.
- 🐾 To submit your completed work, snap a picture, upload it, and submit it through MyLearning.
- 🐾 Work packets will not be sent home. Please go in MyLearning to complete your classwork.
- 🐾 If you get stuck, email your teacher through your Outlook app or within Canvas. Under "Help" click the button labeled "Ask Your Instructor (Teacher) a Question".
- 🐾 If you don't have a computer, or you are not feeling well enough to do work, don't worry, your teachers will help you get caught up when you return.

Parents, for more information and tips on accessing your child's online instruction portal please visit: <https://www.pasco.k12.fl.us/oll/page/parent-university>

Honor Roll Students and Families,

Congratulations on your academic achievements this quarter! You should be proud of all that you have accomplished. It takes a great amount of dedication, effort, and time to get to where you are now. This should serve as a reminder that each and every one of you are extremely capable of achieving the goals you have set for yourself.

In an effort to show our appreciation for a job well done, we organized an award ceremony on **Thursday, February 4th**. During the ceremony, students received their Honor Roll certificate, dog tags, and a prize.

Due to COVID-19 protocols, we were unable to invite families to the ceremony this year, but students enrolled on MyStudent Online and parents were invited to participate in the ceremony by ZOOM. MSOL parents are also able to pick up their Honor Roll Certificates in the front office **between 7:30 am – 3:30 pm**.
