

# RBSMS S.T.E.A.M Explorations

## WHAT ARE S.T.E.A.M. EXPLORATIONS?

R.B.Stewart Middle School now offers a variety of after school programs that focus on one or more of the STEAM practices (science, technology, engineering, arts, and math). Students join and explore after school, supervised with their peers, in the below programs. Apply by picking up an application in the media. Please see applications for details.

### Technology

Do you like robotics, 3D printing, and creating? Join us and work cooperatively with your peers on science, technology, engineering, arts, and math activities. Bring your thinking caps and be ready to get creative and think strategically.

### Anime

Weeaboo and otaku unite! Join us for anime, manga, mochi, ships, cons, cosplay and all things Japanese pop culture. Senpai will notice you.

### Drama

Ever wanted to make your voice heard? Join the Bulldog Drama Squad and you can work with a team of dedicated students who know how to put on a good show. All students are welcome! Even if you prefer to work behind the scenes, there is a spot for you on our elite squad.

Science. Technology. Engineering. Arts. Math.
