

**REQUEST  
COVID-19  
RAPID TEST****FREE RAPID COVID 19 TESTS FOR STUDENTS**

Starting on Tuesday, October 5, Rapid Antigen testing will be available for free at a drive-thru site at the District Office complex in Land O'Lakes. There are other Nomi sites in Pasco County, however the site in Land O'Lakes is the only one offering the rapid tests, which will provide results within 30 minutes as opposed to other testing locations using PCR tests which provide results within 48 hours. The Land O' Lakes testing site will be open Monday through Friday from 8 a.m. until 6 p.m. **This testing opportunity is available for students who exhibit symptoms, and appointments are required.**

Here are the details:

**WHAT:** The drive-thru testing site will offer Rapid Antigen tests that involve a nasal swab.

**WHO:** The tests are being made available to students who exhibit COVID-like symptoms. For a list of these symptoms please see the [Pasco County Student Screener](#). Tests will be administered by health care professionals from [Nomi Health](#).

**HOW:** Appointments are required. Visit the [Nomi Health web page](#) to secure an appointment. (In the Refine Location Search box please enter the following zip code: 34638. Then select the location in Land O'Lakes, not the location in Port Richey.) Since testing is performed via drive-thru, parents and students are to remain in the vehicle. Individuals being tested may leave immediately after being swabbed. Results will be sent via text and/or email, approximately 30 minutes after testing, based on information provided when registering.

**WHEN:** Starting on Tuesday, October 5. The site will be open Monday through Friday, from 8 a.m. to 6 p.m. (On the first day only, the hours are noon to 6 p.m.)

**WHERE:** The District Office complex in Land O'Lakes at 7205 Land O'Lakes Blvd Land O'Lakes. (See map below.) Follow green road signs for "COVID TESTING SITE"

Additional Information:

- Free of charge – when registering, insurance information DOES NOT need to be provided. You only need to provide the information where the red asterisk indicates a "required field."
- You are responsible for sharing the test results with your school, so arrangements can be made for continuous instruction in the event of a positive result, or for your student's return to school in the event of a negative result.
- For more information on Nomi Health visit [www.nomihealth.com](http://www.nomihealth.com)
