

R. B. Stewart Middle School Community Connections Parent Night Agenda

Thursday, February 9, 2023

We are very excited to invite you to participate in our third quarter Community Connections Night on February 9, 2023, at Raymond B. Stewart Middle School. Parents will have the opportunity to schedule an in-person conference with their child's teachers and attend our curriculum showcase. Parent conferences will be in the gym, this time.

Join us in the cafeteria for presentations by our administration team and school counselors. Learn about our excellent **Infinity Academy** and **AVID** programs, as well as joining us for a **Concert in the Commons Area** put on by our very own RBSMS Middle School Band. While walking around our commons area, you can visit different tables to learn all about the different electives our school has to offer.

Parents and students who attend our Community Connections event can earn 4 PBIS Rewards points for each table they attend. These points will be added to the students' PBIS rewards balance.

It's an evening you won't want to miss! Join us for refreshments in the gym at no charge.
