

Raymond B. Stewart Middle School

Building a Bulldog Legacy of Excellence!

Our mission at Raymond B. Stewart Middle School is to create a legacy of *Excellence* with the support of our families and community members.

We are BULLDOG STRONG!

Since 1926, this property has proudly served the youth of our community. In 1975, the structure became Zephyrhills Middle School and a strong tradition of middle grades excellence was started and continues today. In 1986, the middle school was renamed to Raymond B Stewart Middle School in honor of the longtime Zephyrhills High School principal. As Bulldogs, our students are encouraged to embody Achievement, Determination, Integrity, Leadership, Respect, and Responsibility in all they do. Through a supportive and engaging learning environment, we cultivate compassionate, productive, and confident learners who are prepared to thrive in college, career, and life.
